

Photo Exhibition Launch – Together for Inclusion

Monday 12th February | From 18:00h to 19:30h | Mundo J, Rue de l'Industrie 10, 1000 Brussels

The International Disability and Development Consortium invites you to join the launch of a Photo Exhibition promoted during the European Disability and Development Week 2017 (EDDW17).

This Exhibition is focused on the promotion of a positive perspective towards the inclusion of persons with disabilities. Historically, persons with disabilities have been perceived as subjects instead of active agents. The Exhibition aims to highlight inclusive responses to the challenges faced by persons with disabilities in a positive perspective.

The launch will be followed by a reception.

To attend, please complete our [registration form](#).
